School Performance Fact Sheet
2014 & 2015 Calendar Years
Associate in Applied Science in Diagnostic Medical Sonography
(2290 Hours / 104 Weeks / 101 Semester Credit Hours)

On-Time Completion Rates

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
2014	<u>This Program is new. Therefore, the number of students who graduate, the number of students who are placed or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but it is not equivalent to actual performance data.</u>			
2015				

Students Completing After Published Program Length (101-150% Completion Rate)

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	150 % Graduates ⁵	150 % Completion Rate ⁶
2014	<u>This Program is new. Therefore, the number of students who graduate, the number of students who are placed or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but it is not equivalent to actual performance data.</u>			
2015				

- 1 "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.
- 2 "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.
- 3 "Graduates" is the number of students who completed the program within 100% of the published program length.
- 4 "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.
- 5 150% Graduates is the number of students who completed the program within 101-150% of the published program length.
- 6 150% Completion Rate is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period in the reporting calendar year.

Calendar Year	Number of Students Who Began Program ¹	Number of Graduates ³	Graduates Available for Employment ⁷	Graduates Employed in the Field ⁸	Placement Rate Employed in the Field ⁹	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2014	<p>This Program is new. Therefore, the number of students who graduate, the number of students who are placed or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but it is not equivalent to actual performance data.</p>						
2015							

- 1** "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.
- 3** "Graduates" is the number of students who completed the program within 100% of the published program length..
- 7** "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- 8** "Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- 9** "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Students are entitled to a list of the job classifications considered to be in the field of this educational program. To obtain this list, please ask an institutional representative or you can review the list of the institution's website at <http://www.amsc.edu>
